

## ***AIA/CES & IDCEC/CEU REGISTERED COURSE SUMMARY***

---

**PROVIDER NAME:** Emser Tile    **AIA PROVIDER NUMBER:** H723    **HSW:** YES  
**IDCEC CEU VALUE:** 0.1    **AIA CES VALUE:** 1    **COURSE LENGTH:** 1 Hour  
**COURSE NAME:** *ENGAGED IN GAUGED PORCELAIN*  
**AIA COURSE #:** 90616THINTILE (SESSION # PROVIDED WHEN CLASS IS SCHEDULED)  
**IDCEC COURSE #:** CC-105749 (SESSION # PROVIDED WHEN CLASS IS SCHEDULED)

---

**DESCRIPTION:** Engaged in Gauged Porcelain HSW Sustainability CEU is designed to teach architects and designers the fundamentals of a new product category called gauged porcelain panels/slabs; from how they are made, to what makes them “green” and to also provide examples of their proper use.

**LEARNING OBJECTIVES:** The main point to take away from this course is setting realistic expectations for yourself and your customer regarding the proper handling and use of thin porcelain panels and slabs. At the end of the course attendees will be able to: 1) Understand the new product category referred to as gauged porcelain 2) Have basic knowledge of what makes these products "green" from raw materials to manufacturing processes 3) Understand what makes these porcelains different/same as standard porcelain tile including an analysis of lifecycle cost, performance and installation tools 4) What to look out for before making decisions on specifications.

**PRESENTATION:** PowerPoint presentation with images and technical information. No printed handouts will be given out.

**A/V NEEDS:** Electrical power, projector and screen for a PowerPoint presentation. Presenter will bring a laptop with VGA cable input or a flash drive. Please advise before scheduling if HDMI or other inputs are used.

**COST:** Not applicable. There is no fee to attend /offer this class
